**LYON'S**  
**PERIODICAL DROPS!**  
**THE GREAT FEMALE REMEDY**  
**FOR IRREGULARITIES!**

I have tested these Drops in my own prac-  
tice, over ten years, and do not hesitate to say  
that nothing has yet been developed by medi-  
cal research, that acts so powerfully, positive-  
ly, and harmlessly, in cases of female irregu-  
larity, as does this medicine. In all recent  
cases it never fails, while thousands who have  
been long sufferers, are indebted to it for the  
boon of health to-day.

Although so powerful and positive, they are  
perfectly harmless, and may be used at all  
times, except when specially forbidden in the  
directions.

They have been extensively employed by  
eminent physicians in France and England, as  
well as in my own practice, over ten years, and  
I have yet to hear of the first instance of fail-  
ure. I could give you testimonials of their effi-  
cacy from ladies all over the Northern and  
Western States, but they are not in their nature  
private. Over 100,000 bottles have been sold  
the past year, and I have no doubt that many  
sufferers have been benefited. I am well aware  
that a remedy so potent to remove all obstruc-  
tions, may be used for a bad purpose, but trust  
that where one benevolent heart is thus used, ten  
may be used to the benefit of suffering women.

To all who suffer from any irregularity,  
painful, difficult, excessive, or otherwise ob-  
structed Menstruation, Leucorrhoea, or the train  
of diseases that follow, I would say, try a bottle  
of Dr. Lyon's Periodical Drops. In all recent  
cases it never fails, while thousands who have  
been long sufferers, are indebted to it for the  
boon of health to-day.

They may be obtained of nearly every drug-  
gist in the country, or by enclosing the price to

We must refer to the history of the high

zine—a journal with a monthly circulation of  
about 750,000 copies—in whose pages are to be  
found some of the choicest light and powerful  
reading of the day. We speak of this work  
as an evidence of the culture of the American  
people; and the popularity it has acquired is  
merely the result of its own merits.

Each Number contains fully 144  
pages of reading matter, appropriately illus-  
trated with wood-cuts; and it combines  
within itself the rare monthly and the more  
philosophical quarterly, blended with the best  
features of the daily journal. It has great  
power in the dissemination of a love of pure  
literature.—*Traveller's Guide in American Lit-*

**NEW PHYSIOGNOMY, OR "SIGNS**  
**OF CHARACTER,"** as manifested  
through Temperament and External Form,  
and especially in the "HUMAN FACE DIVINE."  
One elegant volume, with nearly 800 pages,  
and 1,000 illustrations. By S. R. WELLS, Esq.,  
PUBLISHED BY J. P. WELLS, No. 389  
Broadway, New York.

"New Physiognomy" is eminently practical,  
fully illustrated, and well suited to the wants  
of all. In the study of "the face," the reader  
soon learns to read each and every feature.  
Those who are acquainted with the Roman, Greek,  
Jewish, Sino and Celestial. The eyes speak  
all languages, whether black, blue, brown or  
hazel. In a like manner, cheeks, nose, ears,  
hands, feet, walk, voice, laugh, etc., are shown  
to be "signs of character."  
In no other work is so much light thrown  
upon the character and destiny of mankind as  
in this, or the distinctive traits of nations and  
tribes so clearly pointed out. Patriotic and dis-  
tinguished persons of ancient and modern times,  
with biographical sketches and delineation of  
character, are given. Divines, Orators, States-  
men, Warriors, Artists, Poets, Philosophers,  
Inventors, Surgeons, Discoverers, Actors, Musi-  
cians, etc., are included. It is an "Encyclo-  
pædia" of biography, acquainting the reader  
with the career and character of many great  
men and women of the past 1,600 years, and of  
the present—such, for instance, as Aristotle,  
Julius Caesar, Shakespeare, Washington, Napo-  
leon, Franklin, Bancroft, Bryant, Longfellow,  
Irving, Rosa Bonheur, Theodore Burr, Cob-  
den, Bright, Lawrence, Bolivar, Whately,  
Thackeray, Dow, Knox, Richelieu, Homer,  
Buckle, Dickens, Victoria, Wesley, Carlyle,  
Miller, Mill, Spencer, Thompson, Guthrie,
